North Dakota State University
Richard H. Barry Hall 400C
Fargo, ND 58102

Research Interest

International Trade and Policy, Agricultural Economics, China Socioeconomic Problems

Experience

- North Dakota State University
Research Assistant Professor Fargo, ND
Nov 2024 – Present
- Texas A&M University
Postdoctoral Research Associate College Station, TX
Feb 2024 – Oct 2024
- Eversource Energy Center
Graduate Research Assistant Storrs, CT
Jan 2019 – Oct 2020
- University of Connecticut
Graduate Research/Teaching Assistant Storrs, CT
Sep 2018 – Jan 2024

Education

- University of Connecticut, Dept. of Agricultural & Resource Economics
Ph.D. in Agricultural and Resource Economics Storrs, CT
2024
- Georgia Institute of Technology, College of Computing
M.S. in Computer Science Atlanta, GA
2024
- Fuzhou University, School of Economics & Management
M.S. in Quantitative Economics Fuzhou, China
2017
- Xiamen University, Tan Kah Kee College
B.A. in Accounting Xiamen, China
2014

Teaching Experience

- North Dakota State University
Guest Lecturer, Econ 472/672 – International Trade
 Fargo, ND
 Spring 2025
- University of Connecticut
Teaching Assistant, ARE 3250 – Business Management
 Storrs, CT
 Spring 2020
- University of Connecticut
Teaching Assistant, ARE 2210/SARE 460 – Essentials of Accounting and Business
 Storrs, CT
 Fall 2019

Conference Invited Talks

- Agricultural & Applied Economics Association (AAEA) Annual Meeting
“Temperature, Allowance, and Air Pollution: Evidence from Regression Discontinuity Design.”
 New Orleans, LA
 Jul 2024
- International Agricultural Trade Research Consortium (IATRC)
“Global Supply Chain and Trade Cost Shocks.”
 Clearwater, FL
 Dec 2023
- Agricultural & Applied Economics Association (AAEA) Annual Meeting
“U.S. Agricultural Exports and the 2022 Mississippi River Drought.”
 Washington, DC
 Jul 2023
- AAEA at ASSA
“Global Container Trade Disruptions, Pop-Up Ports, and U.S. Agricultural Exports.”
 New Orleans, LA
 Jan 2023
- International Agricultural Trade Research Consortium (IATRC)
“Covid-19 Pandemic on International Trade: Evidence from China.”
 Clearwater, FL
 Dec 2022
- Agricultural & Applied Economics Association (AAEA) Annual Meeting
“Global Shipping Container Disruptions and U.S. Agricultural Exports.”
 Anaheim, CA
 Aug 2022
- Northeastern Agricultural & Resource Economics Association (NAREEA) Meeting
“Supply Chain Crisis and Empty Shipping Containers.”
 Mystic, CT
 Jun 2022
- CAHNR Graduate Student Research Forum, University of Connecticut
“Global Trade Effects of Tightening Environmental Standards in China.”
 Storrs, CT
 May 2022
- Steinbach Research Group Seminar, University of Connecticut
“Global Shipping Container Disruptions and U.S. Agricultural Exports.”
 Storrs, CT
 Mar 2022
